To Our Riverview Patients:

We would like to let you know about exciting changes that may affect you. Riverview Physicians for Women is merging with Southside Physicians Network, formerly Tri-Cities OB/GYN Associates!

During this transition period, we will be changing to a new computer system. The physicians, nurses and clerical staff will be offsite in training from Friday, February 1, 2019, through Friday, February 15, 2019. During this time, we will not see patients in the office. The skilled team of physicians from the Southside Physicians Network group will provide your care on these days.

Anu Akinsanya, MD

Ashani Andrews PA-C

D. Bazile-Harrison, MD

K. Rao Kudaravalli, MD

Paul Meyers, MD

Zvonko Spasic, MD

There will also be new faces in nursing and at check-in and check-out. Please do not be alarmed. We will return! We plan to begin seeing our patients as soon as we have completed the training.

We ask for your patience during this transition and are doing everything in our power to avoid any impact on your care. **You will need to complete new patient paperwork for the new system.**

You can do this now at www.SouthsidePhysicians.com.
Select **“For Patients”** then **“New Patient Information”** and **“Patient Information”**.

Southside Physicians Network – OB/GYN now has 4 locations to serve you:

- **Petersburg:** 210 Medical Park Blvd., Suite 150 (804-765-5206)
- **Colonial Heights (Riverview):** 439 Jennick Drive (804-765-5206)
- **Prince George:** 4221 Crossings Boulevard (804-765-5206)

Dr. Charles Smith and Joy Hogg are retiring. We wish them the best in this next stage of life.

We look forward to the positive changes that this new partnership will bring to our patients, our staff, and to the community. As always, thank you for entrusting your care to us and it is a privilege to serve you.

Sincerely,

The Riverview Physicians
